

Herbalife Body Buffing Scrub & Body Contouring Creme

Body Buffing Scrub and Body Contouring Creme are your secret weapons in the war against cellulite! These revolutionary products rely on the latest advances in skin-care technology to visibly reduce the dimply effect caused by fat deposits while boosting your skin's firmness.

Body Buffing Scrub cleanses the skin and helps accelerate the natural process of exfoliation, allowing fresh, smooth skin to emerge. Using this product in the shower is a perfect way to exfoliate the skin.

Body Contouring Creme softens and smoothes dimpled skin through exfoliation. Gently rub this fresh-smelling creme into those unsightly areas to help improve the firmness of your skin. Applying this product in the morning and evening helps improve the skin's elasticity and reduce the orange-peel-look of skin.

For optimal results, use Body Buffing Scrub and Body Contouring Creme, together. And to enhance the effects of these products, use Cell-U-Loss® on a daily basis. This unique vitamin formula is designed to help improve the body's fluid balance.* Make Body Buffing Scrub, Body Contouring Creme and Cell-U-Loss® part of your regular beauty regimen, and you'll have the confidence to grin and bare it!

Did you know?

Product testing has shown that consistent use of Body Buffing Scrub and Body Contouring Creme for 70 days can reduce thigh circumference and help increase skin elasticity.
