130 Pounds Lost

At 25, Eileen Perloff weighed 245 pounds and was sick with debilitating sinus infections and respiratory problems. “By that time my self-esteem was non-existent and friends were few and far between,” Eileen reflects.

Then she discovered Herbalife’s Thermojetics® Green Weight-Management Program. She lost a total of 130 pounds in 10 months and went from a size 22 to a size 3. Today, not only is she smaller, but all her allergy symptoms are gone. Eileen excitedly remarks, “My hair, skin and nails are incredible, and people I know from childhood are speechless when they see me. It’s the most incredible feeling!”*
