

“Herbalife is a miracle that changed our lives!”

Karen and Mike Dopson

A sedentary lifestyle:

As Mike and Karen Dopson tell it they were both “couch potatoes.” “We were tired, stressed-out people,” says Karen, “and being overweight didn’t help. After work we had no energy left for fun.”

A “special” weight-loss delivery:

“I was a UPS driver and my new delivery route led me directly to an Herbalife Distributor’s door,” Mike recalls. “The couple that lived there worked at home and seemed so happy all the time. So I asked them about the products and soon after Karen and I started following the Thermojetics® Weight-Management Program.”

Fast results:

Mike soon lost 30 pounds, and Karen lost 25 pounds. Both say that when they switched to the Thermojetics® High-Protein, Low-Carb Weight-Management Program, they lost even more weight. “We not only feel better without all that excess weight, but we look younger, too,” says Karen.*

Karen after: 163 pounds.

Mike after: 215 pounds.

Karen before:
235 pounds.

Mike before:
280 pounds.

*Your results may vary. Your weight loss will depend on your own body’s metabolic response.
