It all began when her mother mentioned losing 35 pounds with a nutritious weight-management program. “I struggled with my weight as a teenager and longed to lose a few pounds without compromising

my health,” recalls Cynthia. So she signed up for the Herbalife Weight-Management Program.

“Living well begins at the cellular level.”

With Herbalife’s help, Cynthia lost 25 pounds and has kept it off for over 20 years. Since then, she’s incorporated a wide variety of Herbalife’s products into her daily regimen. “And every one of them has produced tremendous results,” she beams.

Cynthia is living well by combining several of Herbalife’s Inner and Outer Nutrition® products, including Herbalifeline® and RoseOx®, which

helped Cynthia support her cardiovascular system.* “I struggled to keep my blood pressure at a healthy level for years, but nothing worked without a long list of side effects,” admits Cynthia. “Herbalife products made all the difference.”

“It takes more than good nutrition to maintain a youthful look.”

When it comes to looking great, Cynthia is quick to list the benefits of Herbalife’s Outer Nutrition® products. “I love Nature’s Mirror™ Hydrating Cleanser and Toner because it’s very gentle on my skin and can be used every day,” she says. In the evenings, she smoothes Radiant C™ Daily Skin Booster on her face to combat the harmful effects of pollution and stress, “followed by three pumps of Night Companion,” Cynthia emphasizes.

Of course, no amount of products can compare to Cynthia’s general enthusiasm toward life. “I know I deserve the best,” she says. “That’s why I’ve used Herbalife products for 20 years. And that’s why I look and feel better than I did at 35!”**
