

## Debbie Evans

*Debbie after: 112 pounds.*

“I went from a size 14 to a 4.”

### **Too young to feel old:**

At 42, Debbie Evans had two daughters and two granddaughters, but didn't have the energy to keep up with them because of excess weight. She tried a number of diets, but had little success and ended up putting on even more weight.

### **Weight lost, energy gained:**

After Debbie saw an ad in the newspaper about Herbalife's products, she decided to try the Thermojetics® Weight-Management Program. In the first 16 days she lost 10 pounds! “I wasn't hungry, and I felt an increase in energy,” Debbie comments. “My body was satisfied, and I didn't feel deprived.”

### **The Herbalife lifestyle:**

“Now I'm a size 4, and I feel the best I've ever felt,” she explains. “I have more energy for handling my grandchildren. I can keep up with them, and I don't feel as much stress. I'll be taking Herbalife's products the rest of my life because they are safe, and they fit into my on-the-run lifestyle. I'm a lot happier, in fact, I feel tremendous.”\*
